For each character, determine what you believe would be his or her:

- b. Educational background
- c. Employment/sources of income
- d. Land ownership
- e. Other forms of wealth
- f. Family
- g. Major challenges to prosperity
- h. Motivations in supporting either of the movements
- i. Likely gains as a result of following one of the movements
- j. Compromises he or she would have to accept by adhering to one of these two movements
